

EXPERIENCE

 <p>Front-end Lead on Globally Recognized Brands</p>	<p>Web Developer ATLARGE</p> <ul style="list-style-type: none"> Created the front-end for the agency's first Modular website on my initial project, establishing the protocol for all future builds. Served as front-end developer to high profile clients, including Monster Jam, Sesame Street Live, Harlem Globetrotters, IMG & PETCO. Worked as the liaison between design and engineering to establish time, cost and scope management. Full development responsibility for all static, WordPress and Shopify builds. Facilitated junior developers' growth in a rapidly changing environment. Garnered Community support and awareness of ATLARGE through volunteerism and civic engagement. 	<p>April 2016 – Current / COVID-19 Sarasota, FL</p>
 <p>2014 2015 Lead Developer on two IMA Award Winning Websites.</p>	<p>Web Developer Growth Spark</p> <ul style="list-style-type: none"> Developed over 50 custom Wordpress and Shopify themes for high traffic client websites. Managed all backend development and technical communication for client projects. Led development time/cost estimates for all projects. Maintained the agency's development server environment. Managed group of contractors for outsourced projects. Created Quality Assurance protocols to ensure cross browser and device compatibility before deployment. 	<p>April 2011 – April 2015 Cambridge, MA</p>
 <p>Built a freelance development agency to support local small businesses & aspiring entrepreneurs.</p>	<p>Web Design & Development MD Web Solutions</p> <ul style="list-style-type: none"> Designed and developed professional websites for small businesses and independent contractors. Created custom themes within Wordpress and Shopify to integrate unique design with a familiar CMS. Managed all projects leading clients through the process to completion. Utilized the latest development technologies to enhance user experience. Implemented best practice web standards to ensure cross browser functionality and ADA compliance. 	<p>April 2010 – Current Boston, MA / Sarasota, FL</p>
